### **DETAILED ACTION**

1. In order to avoid abandonment, the drawing informalities noted in the paper mailed on November 5, 2003, must now be corrected. Correction can only be effected in the manner set forth in the above noted paper. (i.e., Applicant must submit "Replacement Drawing Sheets" which include the desired changes).

### **INFORMATION ON HOW TO EFFECT DRAWING CHANGES**

#### **Replacement Drawing Sheets**

Drawing changes must be made by presenting replacement sheets which incorporate the desired changes and which comply with 37 CFR 1.84. An explanation of the changes made must be presented either in the drawing amendments section, or remarks, section of the amendment paper. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). A replacement sheet must include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of the amended drawing(s) must not be labeled as "amended." If the changes to the drawing figure(s) are not accepted by the examiner, applicant will be notified of any required corrective action in the next Office action. No further drawing submission will be required, unless applicant is notified.

Identifying indicia, if provided, should include the title of the invention, inventor's name, and application number, or docket number (if any) if an application number has not been assigned to the application. If this information is provided, it must be placed on the front of each sheet and within the top margin.

#### **Annotated Drawing Sheets**

A marked-up copy of any amended drawing figure, including annotations indicating the changes made, may be submitted or required by the examiner. The annotated drawing sheet(s) must be clearly labeled as "Annotated Sheet" and must be presented in the amendment or remarks section that explains the change(s) to the drawings.

#### **Timing of Corrections**

Art Unit: 2111

Applicant is required to submit acceptable corrected drawings within the time period set in the Office action. See 37 CFR 1.85(a). Failure to take corrective action within the set period will result in ABANDONMENT of the application.

If corrected drawings are required in a Notice of Allowability (PTOL-37), the new drawings MUST be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability." Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136 for filing the corrected drawings after the mailing of a Notice of Allowability.

***Allowable Subject Matter***

2. Claims 1-4, 9-20, 23-33, and 36-46 are allowed.
3. In the Office Action dated February 18, 2005, the Examiner inadvertently failed to indicate the status of claims 36-46, which were added in the Paper filed November 29, 2004. However, the Examiner has conducted a search for these claims, and they are allowable, for the reasons indicated below.

4. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-4, 9-20, 23-33, and 36-46 is the inclusion of the limitation, "a single on-chip multi-jurisdictional arbiter adapted to receive requests for ownership of the system bus and of the external bus, to rank all the received requests according to a programmable priority schedule, to transmit a first grant signal to the dual [one of first blocks] regarding a first ownership of the external bus and to transmit a second grant signal regarding a second ownership of the system bus to another one of the first blocks that is concurrent with the first ownership" as recited in independent claim 1, and as similarly recited in independent claims 9, 18, 23, 31, 36, and 45.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
